Technical Skills

HTML5 - ES6 - CSS - Bootstrap - JavaScript - jQuery - JSON - Node.js - Express.JS - MongoDB - ReactJS - Vite - Postman - Object-Oriented Programming - Test-Driven Development - Version Control with Git - Paired Programming - High Level Of Accuracy - Problem Solving - Critical Thinking - Communication

Development Projects

Art Gallery App
https://visionary-scone-3169c5.netlify.app/
This application utilizes API calls from The Art Institute of Chicago. It allows the user to search and view Works of Arts collections.

Tech Blog
https://react-blog-1v1y.onrender.com/public
Application using ReactJS and CRUD methods that allows users to access a sign up/login so that the user can upload, edit, comment on other users blogs, and delete existing blogs.

Military Experience

United States Army - Colorado Springs, CO
Sniper / Jan 2005 - Dec 2012

- Served as a Senior Sniper and Scout Team Leader in a combined arms battalion; serves as an advisor to the Senior Scout on all aspects of sniper emplacement and counter-sniper awareness training and operations.
- Responsible for the maintenance and accountability of one M1151(HMMWV) and all ancillary equipment valued in excess of $300,000 dollars.
- Served outside of MOS as a Scout Team Leader training over 25 Soldiers in counter sniper tactics   dramatically increasing the survivability of the platoon.

- Supervised over 15 Soldiers overseas on multiple combat deployments with over 1,600 Combat Missions.
- Annually trained 40 soldiers to be Squad Designated Marksman.
- Responsible for the training, morale, welfare, discipline and combat readiness of three snipers/scouts.
- Facilitated the graduation of two other Soldiers thru U.S. Army Sniper School.
- Performed leadership duties for over 500 Battalion missions and 50 Brigade and Division missions while attached to a Personal Security Team.
- Secured the people of Iraq by neutralizing the insurgency, training Iraqi security forces, and improved the local government, infrastructure, and economy.
- Maintained 100% operational readiness and accountability of all team equipment valued in excess of $1million dollars.

United States Army - Ft Benning, GA
Training Service Member / Sep 2004 - Dec 2004

- Maximized training opportunities by producing more than 10+ highly focused individual and team skills including logistics, management, weapons handling, land navigation, radio communication, and platoon formations.
